

Africa Youth A Climbing Cup Winners

The Africa Youth A Climbing Cup was held on Friday 8th December at CityROCK, Johannesburg. The event was a selection competition to select our Male and Female Youth A Athlete to represent South Africa at the 2018 Youth Olympic Games taking place in Buenos Aires, Argentina in October next year.

With phenomenal routesetting from Chief Setter, Kent Jennings and his team of setters (James Barnes, Dylan Vogt and Katleho Pobe), the event fulfilled its promise of being a nail-biting competition between our top Youth A Climbers in South Africa.

It was unfortunate that no other Africa country was able to compete as they didn't have the eligible athletes to do so but it is the start of something exciting and new for our African Continent and there are plans for more Africa Cups to come.
